What an exciting time of year! The New Year is a great time of year for reminiscing and looking forward to new adventures. Often there are parties, fireworks and family gatherings that we all love. Children can join in the fun with bright and colourful New Year crafts.

## ACTIVITY 1- COLOURING WORKSHEET

## ACTIVITY 2: READING STORIES

Stories are so much fun for our young learners. They love listening to stories if you make it a fun-filled experience for them and not just a reading session. You can teach the children any concepts through stories, hence get started with colourful storybooks to get their attention.

### Benefits of reading books daily to your children:

- Builds a child's vocabulary.
- They use the new words in their daily conversation.
- Builds confidence while communicating in front of an audience.
- Read and write independently, as they will be able to identify the words from daily reading.
- Enhance their thinking skills.
- Develop their own perspective and respect others opinion.
- Get creative in their own imagination and stimulate curiosity.

**# Parents kindly encourage your wards for picture reading and story books on daily basis.**
